About the WBIA

The Wisconsin Bio Industry Alliance is a nonprofit corporation that supports the development of bio-based renewable energy, power, and products in Wisconsin. By bringing the appropriate players to the table, the organization will grow the bio-economy in Wisconsin, concentrating on a specific series of campaigns targeted at the most fertile opportunities in Wisconsin.

The WBIA is a 501(c)3 nonprofit tax-exempt organization. Contributions to the Wisconsin Bio Industry Alliance meet the IRS eligibility requirements for tax deductions to nonprofit organizations.
